BEFORE THE STORM

- ◆ **HAVE A PLAN - BUILD A KIT - BE INFORMED** visit <https://www.ready.gov/>
- ◆ **IDENTIFY** risks in and around your home and property to minimize potential storm related issues. Search your address at www.floodsmart.gov
- ◆ **SIGN UP** now to receive emergency alerts at www.smcalert.info
- ◆ **CLEAR** gutters and downspouts; ensure downspouts are working and pointing away from your house.
- ◆ **KEEP** your curbs and sidewalk gutters clear of leaves and debris. Dispose of properly - do not sweep into gutters/drains.
- ◆ **CHECK** trees on your property. Consider hiring a certified arborist to evaluate and trim trees.

DURING THE STORM

A winter storm watch means that a storm with severe cold weather and/ or heavy rain is possible. A winter storm warning means that severe cold or flooding is occurring or will occur very soon. In situations where there is widespread flooding or storm-related damage, City crews and emergency personnel may be working around the clock to respond to the most critical incidents. Be prepared to “weather” any storm for at least 72 hours.

- ◆ **STAY INFORMED** check for weather updates and emergency instructions on TV or radio.
- ◆ **SAFETY FIRST** be alert to changing conditions. Do not try to walk through flowing water Do not drive through flooded areas where your vehicle may get stuck. Know your evacuation routes in case roads are blocked by trees or water.
- ◆ **AVOID** unnecessary travel. If you must travel, plan routes in advance by checking transit information and road closure information. 511.org, AC Transit, BART
- ◆ **CHECK** on your neighbors. Share information with family, friends and neighbors.

For downed power lines or if you smell natural gas, leave the area immediately and call **9-1-1** or **PG&E at (800) 743-5000**.

Report power outages online at <http://m.pge.com/#outages>. Use the online map to view outages in your area.

RECOVER (AFTER THE STORM)

- ◆ **CHECK** t be sure it's safe before you return home or go out to assess your property. expect roads and walkways to be very slippery. Watch out for debris.
- ◆ **CONDUCT** a home inspection. Check for any damages, gas or water leaks.
- ◆ **RECORD** any damage to support insurance claims.

Subscribe today to **SMC ALERT** is an alert notification system available in all cities and towns in San Mateo County used to immediately contact you during urgent or emergency situations. You can set alerts to send emergency and non-emergency text and voice messages to your:

- email account(s)
- cell phone/smartphone, tablet
