The Department will provide long-term disability coverage of 60% of covered earnings to a maximum of \$3500 per month for the Administrative Services Manager and Emergency Medical Services Manager.

6. Retirement

Employees are enrolled in retirement benefits through PERS.

Employees who are considered “Classic” Safety members by PERS are enrolled in the 3% @ 55 Local Safety Plan, with the single highest year for compensation. Employees who are considered “New” Safety members are enrolled in the 2.7% @ 57 Local Safety Plan, with a 3 year final average for compensation.

Employees who are considered “Classic” Miscellaneous members by PERS are enrolled in the 2.5% @ 55 Miscellaneous Plan, with the single highest year for compensation. Employees who are considered “New” Miscellaneous members are enrolled in the 2% @ 62 Miscellaneous plan, with a 3 year final average compensation.

Retirement benefits are paid for by both the employee and the Department. The Department contributes an amount on behalf of the employee, computed as a percentage of the employee’s annual salary and is actuarially determined by PERS. The Department’s contribution rates vary from year to year. For classic Safety members, the employee’s rate is fixed at 9%. For New Safety and Miscellaneous members, the rate is 50% of the total normal cost. For Classic Miscellaneous members, the employee’s rate is fixed at 8%.

7. Vacation

Vacation accrual rates will change on an employee’s anniversary date as follows:

Years of Service	Bi-Weekly Accrual	Annual Hours of Vacation
0 – end of 5 years	3.69	96
5 th anniversary	4.93	128
10 th anniversary	6.16	160
15 th anniversary	7.39	192
20 th anniversary	8.0	208

The maximum accrual is 456 hours. Once the maximum accrual is reached, the employee stops accruing leave until hours are used, bringing the employee’s total below the accrual cap.

7A. Vacation Cash out

Employees in this group are eligible to submit a request to cash out up to 80 hours accrued vacation pay two times per year. The employee must have a minimum balance of 200 hours as of December 31 of the election year to be eligible. All employees in the group will complete a form between December 1 and December 31 of each year. They will mark one of three choices:

- a. I am not eligible to participate as I have not met the criteria
- b. I am eligible to participate, but I choose to NOT cash out any vacation next calendar year.
- c. I am eligible and I choose to cash out _____ hours of vacation next calendar year.

Vacation hours cashed out applies only to hours earned in the following calendar year. Payment of vacation hours elected for cash out will be on the first paycheck in June and December of the year following the election. Vacation that is used is understood to be on a first-earned basis. Elections are irrevocable.

8. Sick Leave

Employees will accrue 4.62 hours of sick leave per pay period. There is no maximum accrual limit for sick leave.

8a. Sick Leave upon Retirement

Employees can choose:

- To convert up to one-half of 860 hours of their accrued sick leave, not to exceed a maximum of 430 hours, to cash compensation at their regular hourly rate of pay. All remaining time would be converted to PERS service credit.
- To convert to cash, up to one-half of 860 hours of their accrued sick leave, not to exceed a maximum of 430 hours, which shall be deposited in the employee's 457 Deferred Compensation Account, subject to the 457 maximum annual allowable deposit amounts. All remaining time is converted to PERS service credit.
- To convert all accrued sick leave to PERS service credit.

8b. Conversion of leave to Deferred Comp Plan

Management employees have the opportunity to roll over accrued sick leave and vacation into their existing 457 account each year. These rollovers are counted toward the annual 457 limit, as set by the IRS annually. (Over 50 catch-up and other additional contribution amounts are not eligible for this program.) For example, in 2022, the maximum amount an employee can contribute to their 457 account is \$20,500. Any conversion of accrued sick or vacation leave is counted toward that maximum; if an employee requests to roll over more than the annual 457 cap, only the amount up to the cap will be converted.

Sick leave

Annual conversion amount = maximum 300 hours.

Maximum lifetime amount = maximum 430 hours.

Each hour the employee converts is deducted from the total amount of sick leave payout upon retirement. Therefore, if over the course of an employee's employment he converts 430 hours of sick leave into the 457 plan, that employee is not eligible to be paid out for any sick leave upon retirement. Only accrued leave is eligible for conversion. The employee must have a remaining bank of 240 hours after the conversion, in order to be eligible to participate.

If the employee is retiring within the upcoming fiscal year, the 300-hour annual cap does not apply. Request for this conversion must still be submitted by March 1. If the request is not submitted by this date and the employee retires within the upcoming fiscal year, the option to convert to the 457 plan is not available.

If an employee separates employment from CCFD prior to retirement and has participated in the Leave Conversion program, a number of hours equal to the dollar amount that was originally converted to the 457 will be deducted from the employee's

accrued vacation leave bank. If the employee does not have enough hours in the accrued bank to cover the deduction, the employee agrees to reimburse the department the remaining balance.

Vacation leave

Only accrued leave is eligible for conversion.

Procedure

1. Request must be submitted to HR by March 1 of each year.
2. Approved conversions will take place in July of that same year.
3. Employee's leave banks will be reduced by the amount converted to the 457 plan.

9. Administrative Leave

The Fire Chief, Deputy Fire Chief and Administrative Services Manager are granted 80 hours of Administrative Leave per calendar year; the Emergency Medical Services Manager is granted 40 hours of Administrative Leave per calendar year. Administrative Leave balances cannot be carried forward into the next calendar year. Administrative Leave will be paid out upon separation of service with the Department, prorated based upon the effective date of separation.
