AN EQUAL OPPORTUNITY EMPLOYER • WWW.CCFD.ORG

Central County Fire Department

The Central County Fire Department – serving the communities of Burlingame, Hillsborough and Millbrae – is comprised of men and women from different backgrounds who share one common goal: to provide exceptional emergency/non-emergency services to the citizens and visitors of our communities. Formed in April 2004, the Central County Fire Department (CCFD) provides all-risk services, with members playing integral roles in fire suppression, rescue, emergency medicine, operational training, fire prevention and investigation, and community education.

Our service area encompasses approximately 15 square miles and we serve a population of 70,000. Our jurisdiction has wildland urban interface areas and neighborhoods consisting of single-family homes, multi-residential buildings, retail and business districts, hotels, a regional hospital, care facilities, numerous schools, as well as a large industrial area. Two commuter railways (CalTrain and BART) and two major highways provide travelers with transportation leading north and south through our jurisdiction.

We maintain six strategically located and professionally staffed fire stations, in addition to an administrative headquarters and training tower. The Department staffs six fire engines and one ladder truck 24 hours a day, everyday. A Heavy-Duty Urban Search & Rescue unit is also housed at one of our fire stations and is cross-staffed with on-duty personnel. A Battalion Chief oversees all daily operations of CCFD fire units. The Department responds to approximately 8,000 calls for service annually.

The top-ranking leader of the Department is the Fire Chief, supported by a command structure of Deputy Chief, Battalion Chiefs, and Captains. Our personnel are a diverse group, with firefighters trained as apparatus operators and paramedics, as well as a large number trained in Special Operations. Several of our Special Operations trained personnel are members of California Urban Search and Rescue Task Force 3.

CCFD personnel are highly trained, highly motivated and prepared to answer the call. We continually strive to exceed the expectations of those we serve.
